Outside the Diocese

PWRDF

In Sri Lanka, the PWRDF has a Development Project entitled - Movement for Land and Agricultural Reform. MONLAR mobilized six provincial planning forums (PPF) and accompanied them to refine their constitutions, guidelines and plans. Each PPF brought together an average of 20 community based organizations that worked around issues of ecological agriculture, food and water sovereignty, exchange of seeds and advocating against land grabs. Six ecological agriculture model and resource model farms were established in collaboration with the Department of Agriculture with the aim of providing farmers opportunities to experiment innovate and disseminate the benefits of ecological agriculture.

After the recent bombings in Sri Lanka, please pray for this ongoing work.

Anglican Foundation Stories

The Anglican Foundation has given a grant to St. Timothy's in 100 Mile House (Territory of the People) to renovate their kitchen. The Foundation is able to assist in these projects because of our gifts.

Every parish in the Diocese is a member of the Anglican Foundation! Personal memberships are available too. More information at www.anglicanfoundation.org
